COLLOQUIUM

**"Is younger faster? Age and the
rapidity of English acquisition
among Immigrant Children in the
United States"**

by

Gillian Stevens

Professor of Sociology

University of Illinois at Urbana-Champaign

Visiting Scholar, Russell Sage Foundation

Friday, February 8, 2008 at 3:30 pm

**Terrace Lounge, Campus Center
University at Albany**

Dr. Stevens research interests include the Sociology of Language and Social Demography. She is currently working on a book showing how non-English-speaking groups are adapting to life in English-language dominated U.S. society.

Reception following talk.
